## A NOTE ABOUT OUR VEGAN MENU

We created a menu with something for everyone! We make everything we can in house including our garden meatless meatballs, sauces, and our own soups and stocks. Fresh is best! Look for the ✓ symbol on our menu which indicates items or sections that contain all vegan choices! Many of the items in these sections were always plant-based at Umberto's, so we are using the same great Umberto's recipes you know and love. we are trying to do better at communicating this information to our customers!
